Mr. Jose Raul A. Sanie!
General Manager, ZAMSURECO I
Pagadian City

Dear Mr. Sanie!,

As advised by the Mindanao System Operations (MSO), load curtailment will be implemented to all customers grid under its jurisdiction from 10:00AM to 5:00PM and 150MW from 5:30PM to 8:00PM today. The contingency reserve is zero due to GENERATION DEFICIENCY.

In view of this, please implement load curtailment within your area once you exceed the allowable load set by the Mindanao Regional Control Center (MRCC). Please refer to the PSALM/NPC-MINGEN Load-to-Maintain Against Generation Deficiency Matrix for the month of January 2012.

Thank you for your usual support and cooperation.

Very truly yours,
